## Who We Are

The Auxiliary is an organization whose mission is to support Bristol Hospital in promoting the health, welfare and education of the communities it serves. Founded in 1921, the Bristol Hospital Auxiliary has remained loyal to its original goal. Now that goal is made possible by the hundreds of men and women volunteers who comprise the Auxiliary. Through the talents and dedication of our Auxiliary volunteers, we have accomplished achievements from which both Bristol Hospital and our surrounding communities have benefited. For example, the Auxiliary has raised and contributed over \$1.5 million to Bristol Hospital in the last 15 years. We recently completed a \$200,000 pledge to the Parent and Child Center and a \$100,000 pledge to the Cancer Care Center at Bristol Hospital. We helped raise funds for the purchase of new beds for the hospital and we are currently raising funds to support the Bristol Breast Health Project. With your help, we can do much more!
