Bristol Hospital and Health Care Group is happy to present our 2011 Physician Directory. Included in this directory is a comprehensive listing of physicians and specialists affiliated with our hospital, to aide in your healthcare needs.

Our medical staff consists of over 250 physicians and specialists all working together for your health and wellbeing. We encourage you to call any of the physician offices listed in this directory to schedule an appointment, ask questions or request a referral. In addition to our medical staff listed in this directory, we have included a supplemental section that will provide you with an inclusive listing of services and programs provided by our hospital, including diagnostic services, sleep studies, wellness programs, urgent care centers as well as additional departmental information.

If you are in the process of selecting a new primary care physician or are looking for a specialist, we welcome and encourage you to contact Bristol Hospital's InfoLink at 860.585.3661 and they will be happy to provide you with support. Here at Bristol Hospital, we focus on improving the health of our community daily and encourage you to find out what makes Bristol Hospital everyday extraordinary.

If you would like to receive an additional copy of this Physician Directory, please call our Marketing and Public Relations office at 860.585.3159. We look forward to providing you with quality and compassionate care.

Sincerely,

Kurt Barwis
President & CEO
